

The screenshot shows a console window from an IDE. The title bar includes tabs for 'Problems', '@ Javadoc', and 'Declarati'. The main content area displays the output of a Java application named 'BSTSearch'. The output consists of three lines: a status message '<terminated> BSTSearch [Java Applica', followed by 'search for 23: true', and 'search for 25: false'.

```
<terminated> BSTSearch [Java Applica  
search for 23: true  
search for 25: false
```
